City Attorney Rick Juda

Lackawanna, NY 14218
RE: PARKING IN BICYCLE LANE

Director Wolf and City Attorney Juda,

I've been noticing that people are parking their vehicles in the bicycle lane on Ridge Road, even overnight. This seems to counter the point of creating a bike lane so bicycles can travel safely throughout our city.

Are vehicles allowed to park in bicycle lanes? Although I cannot find any rules or restriction regarding this in our city charter, perhaps there is a rule or law in New York State's laws that would address this dangerous situation. If a rule or law cannot be found in the NYS law books, perhaps the city council can pass a law directing vehicles to be fined for parking in these lanes.

Sincerely,

GEOFFREY M. SZYMANSKI, 2ND WARD COUNCILMAN

2. I along with 4th Ward Councilman Surdyke would like to see some type of legal implementation concerning the use of ATV's and dirt bikes. We would like to see something in place like the Buffalo Council implemented. It has become a major problem in our city.

a. Make it illegal to operate ATV's within the city limits and make the cost more expensive to get the vehicle back. Once a vehicle is impounded by police a substantial fine of \$2,500 should be imposed to retrieve the vehicle.

b. Proof of ownership of the vehicle should be provided and a license to operate the vehicle.

c. The vehicle should be up to code.

It is important to address this situation in order to keep the residents of Lackawanna safe as well as the drivers of said vehicles.

Thank you for your anticipated cooperation.

Thank you,

JOHN INGRAM, 1ST WARD COUNCILMAN

Moved by Ingram seconded by Marrano to receive and file, to include a fine of up to \$2,500, refer to Director of Public Safety and Law Department.

Good Afternoon,

Attached please find the sample resolution I drafted for the Bridge NY Grant. Unfortunately, I received this information too late to make yesterday's agenda deadline. The email came in at noon and I was in meetings all afternoon and most of today.

I increased the project cost to \$1.1 million based on Jason's email in case the actual costs increase. The CPL estimate received yesterday afternoon was \$1,030,342.71. The cash match will be 5% of the authorized project cost.

Please let me know if anyone has any questions.
