Mayor Iafallo and NYS Assemblyman Rivera Tour Recreation Facilities in Lackawanna's First Ward

Lackawanna Mayor Annette Iafallo and NYS Assemblyman Jon Rivera recently toured city playgrounds in Lackawanna's First Ward, which is part of the Assemblyman's 149th District. This tour, which also included City Council Member Dean Moretti (Third Ward), focused on the Lehigh, Bauder and Bethlehem Park playgrounds for the purpose of identifying possible future upgrades for these facilities.

The tour concluded with a visit to Taggart Playground for the Learn 2 Play Summer Program being conducted by the Lackawanna Police Department and Algonquin Sports. City Council Member John Ingram (First Ward), Lackawanna Municipal Housing Authority Executive Director Mark Kuwik and several members of the Lackawanna Police and Fire Departments were on hand for the Learn 2 Play session.

Mayor Iafallo wishes to thank Assemblyman Rivera for devoting time from his busy schedule to visit Lackawanna and for his interest in helping to improve our city recreation facilities.

Special thanks to the Lackawanna Police and Fire Department members who were on hand to deliver a fun Learn 2 Play session for the kids at Taggart Playground!
