Dear Council –

I hereby request the City Council approve the resolution to “waive the residency requirement” for Lauren M. Jednak, residing in Buffalo, to be appointed as the *Director of Development*.

Per Section 5-38 of the City Charter each officer and employee of the City during the period of his or her employment is to maintain his or her residence within the corporate limits of the City. As you know the shortage of qualified department heads within the City limits has led to previous requests for the same waiver.

As you know, the current Director has resigned and has taken employment elsewhere. After conducting interviews, I feel Lauren is the best candidate for this position.

Please contact me if you have any questions.

Dear Community Member:

Hello, My name is Desmond L. Glover and I founded and run Kodex Elite Sports Training. Part of its mission is to build a local network community of both players and fans and tap into the energy of one of the fastest growing sports in.

The Sports Fitness Industry Association's (SFIA) most recent Participation Report noted that Flag has grown to 6.8mm participants, up 23% in the previous 5 years, vs. a 15% decline for tackle to 5.1mm. Flag's growth rate far exceeds that of soccer, lacrosse, ice hockey, rugby and other major team sports. Our area needs to be part of this trend and we are bringing you this opportunity to help our local community.

Kodex Elite Sports Training would like to host flag football tournaments (18+yr olds) at the Veterans Stadium during the late spring and summer of 2022. We would like to use this national attention and these national events to bring both 8 man flag football as well as 5 man flag football to western New York.

The dates we are looking to acquire the field are:

May 7 & 8, 14, 21, 28
June 4, 11, 18, 25
July 2, 9, 16, 23, 30 & 31

Each event will run for 7 hours with a start time of 4pm. If we happen to entertain prime time hours we would be ok with having to use the field lights. We are a fully insured organization and all liability will be placed upon us. We also maintain a clean up crew to make sure we leave the field as it was upon our arrival.

Thank you in advance for your generosity and support .

If you have any questions please feel free to contact me.

Dear Honorable Council Members:

First we would like to thank you for the opportunity to review our request. We at LA Sports Club would like to make adjustments to the request that previously put in; to all us access to Veterans Memorial Stadium and Victory Playground for our LA Sports Club Flag Football Showcase we will be having over the course of the summer.

We would like to adjust our request for Veterans to Stadium every Saturday (9am-330pm) and Sunday (9am-9pm) for games, and request Victory Playground every Tuesday & Thursday (530pm-8pm) for practice, from April 26th, 2022 until June 25th, 2022. We will be hosting a LASC Flag Football Showcase for the kids in the community. We will be partnering with NFL Flag; we will provide the equipment, as well as insurance for the field to host such event.

Attached to this letter is a copy of our current insurance policy that covers the city of Lackawanna. We think this is a great idea for the community and we would love for the field to be available to us. We look forward to working together for the community.

Attached please find three invoices from Pinto Construction for work on the above-referenced project. These invoices have been submitted for grant approval which is currently pending. After discussion with the Mayor, Director of Development and Director of Public Works we are hereby requesting the Council authorize payment to Pinto Construction so that they do not have to wait for grant reimbursement.

Pay app #11 (\$52,949.07) was paid out of Director of Development consulting budget funds. Pay apps #12 (\$35,910) and #13 (\$13,400.84) have not been paid.

The City Attorney, after consulting with Director of Development, requests that the Council authorize the transfer of \$102,259.91 from the general fund to the operating fund (consulting) so that Pinto can be paid for apps #12 and #13. The Director of Development's consulting budget will also be reimbursed \$52,949.07 for pay app #11.

At a later date the City Attorney will provide the Council with a breakdown of all amounts expended and approved by the grant. It is anticipated that all amounts charged by Pinto Construction will be totally reimbursed.

2021 ERIE COUNTY STOP-DWI

APPENDIX A

Problem Identification

Approximately 1,900 drivers are arrested for DWI in Erie County each year. The typical alcohol impaired driver is a male between the ages of 30 and 37, driving on a weekend night, between the hours of 0100 and 0500, with an average BAC of .16%. Approximately 7% of impaired drivers are impaired by substances other than alcohol.

Alcohol is a factor in 30% of fatal traffic crashes in Erie County. In the year 2020, 13 persons were killed and dozens more injured in DWI related traffic crashes.

Police Participation in the Erie County STOP-DWI Program

To address this threat, regular enforcement of DWI laws will be a departmental priority. Within the practical boundaries of our department's resources, and in addition to normal patrol activities, the department will assign officers to dedicated DWI patrols at times and dates that maximize the enforcement impact. The STOP-DWI office collects fines paid by those convicted of impaired driving and funding is available to supplement Impaired Driving Enforcement activities.

In order to qualify for funding, I certify that

- STOP-DWI resources will be used for supplemental, DWI specific efforts
- Officers from this department will participate in the DWI Sobriety Checkpoints and Roving Patrols sponsored by the STOP-DWI Office
- We will support and utilize the DWI Crash Response Team and the Drug Recognition Expert Corps
- We will provide for evidentiary chemical tests and the regular calibration and maintenance of additional DWI enforcement equipment

Compliance with this plan qualifies this police department for participation in Erie County's STOP-DWI Program and 100% reimbursement of overtime expenses for dedicated DWI patrols.

Dear Council Members,

On Sunday June 26,2022, I am currently planning an event to take place in the city of Lackawanna. After having to cancel the past 2 years due to Covid I am excited for this event to continue. The 3rd Annual AshleyMay 5k run/walk for domestic violence awareness, in honor of what would be my daughters 28th birthday, will begin and end at Galanti Park. I have enclosed a copy of the course, which is certified by USA Track and Field, certification number NY18006JG.

I am requesting permission to be able to use the public streets on this day starting at 10:00am. The safety of runners, motorists, and volunteers are of the utmost importance to me. For this reason, I am also asking you to consider the support of the Lackawanna Police Department at main intersections to avoid any unnecessary chaos.

If you have any further questions regarding this event you can contact me at 583-1759 or visit our website for event details, ashleymay5k.net.

I'm hopeful this will be a great event held in the city for many years to come! Thank your for your time and consideration.
