A Message from Mayor Annette Iafallo – Thank You Miller's Collision & Auto!

On behalf of the City of Lackawanna, I would like to extend a heartfelt 'thank you' to Dennis Miller and the [Miller's Collision & Auto Inc.](#) team for their recent generosity benefitting the Lackawanna Fire Department.

As part of a public safety grant obtained through the office of NYS Sen. [Timothy Kennedy](#), the LFD was able to purchase 'jaws of life' extrication equipment.

Miller's graciously provided our firefighters with access to their business property and donated four 'practice' vehicles for training purposes – allowing each fire platoon an opportunity to gain valuable live training with the jaws tool and current extrication techniques.

Dennis and his team truly went above and beyond to help our firefighters – and we are so grateful to have Miller's Collision & Auto as long-standing and valued members of our Lackawanna business community!

Way to go Dennis and team!!

Annette
