A MESSAGE FROM MAYOR IAFALLO - LACKAWANNA SHIFTING TO TRAVEL ADVISORY EFFECTIVE TODAY, DECEMBER 27th AT 10:00AM

Effective at 10:00 a.m today, Tuesday, December 27th, Lackawanna is downgrading its travel ban to a travel advisory.

The exception is NYS Route 5, which remains closed until further notice by the DOT.

Although the ban has been lifted, I caution against any unnecessary travel as snow removal efforts are still continuing on all streets, especially side streets and dead ends.

Over 80 pieces of city, county and contractor snow removal equipment has been deployed throughout the city since the storm began, over 70% of this equipment is dedicated to the First and Second Wards.

Please stay safe.
