**A MESSAGE FROM MAYOR ANNETTE IAFALLO – UPDATE ON STATE OF EMERGENCY & TRAVEL BAN**

***As of 8:00AM this morning, the State of Emergency for Erie County, including the City of Lackawanna, remains in effect.***

***The driving ban also remains in effect for Lackawanna and many south towns communities. The ban was changed to an advisory for Buffalo and certain other communities based on snow and road conditions in those areas.***

***Our Lackawanna DPW crews are fully staffed/equipped and working hard to clear roads as fast and efficiently as possible. They are doing great work under very difficult conditions.***

***I'll provide additional updates as new information becomes available. Please stay home and stay safe.***

***Annette***
