Dear Neighbor,

The City of Lackawanna will be holding 'A Bite of Lackawanna' Food & Music Festival (rain or shine) on Ridge Road between South Park Avenue and Electric Avenue on Sunday, June 25th from 4:00 to 8:00 PM.

We're sending this letter to inform you of event details as your property is within the festival area:

- **Ridge Road will be closed** between South Park Avenue & Electric Avenue from 11:00 AM to Midnight on Sunday, June 25th. This will allow sufficient time for set-up, take-down and clean-up of the event area. However, the **intersections of Ridge & South Park and Ridge & Electric will remain open** to traffic.
- **For Ridge Road homeowners within the festival area**, please relocate any vehicles associated with your residence to a nearby side street outside of the festival area no later than 9:00 AM on Sunday, June 25th. You will not be able to drive within the festival area during the 11:00 AM to Midnight timeframe.
- In addition, **the municipal parking lot on Ridge Road across from City Hall** between the Post Office and Ridge Road Liquors **will be unavailable** for public parking Sunday, June 25th.
- Both Victory Avenue and Colton Avenue **will be designated two-way traffic** between Ridge Road and Crescent Place only from 11:00 AM to Midnight on Sunday, June 25th. Alternate Parking **will remain in effect** as scheduled for both streets. Where possible, please park your vehicles in your or a neighbor's driveway during the festival.
- Several designated parking lots along Ridge Road, Caldwell Place and South Park Avenue have been established for the event. Included with this letter is a map indicating the festival area and parking lots.
