MEDIA RELEASE

City of Lackawanna Issues State of Emergency & Driving Ban from 6AM-3PM

(Friday, December 13, 2024) - Effective at 6:00 a.m. this morning, a State of Emergency has been declared in the city of Lackawanna along with a city-wide driving ban in effect until 3:00 p.m.

These actions were taken to allow city DPW crews to continue working on main, side and dead-end roads after almost two feet of snow fell since 6:30 p.m. yesterday. Absolutely no travel unless an emergency.

In addition, Lackawanna City Hall and the Senior Center are closed today.

Please help us inform the public with an on-line/on-air post as appropriate.
