

For the August 11th City Council meeting agenda, please include the attached request from The Villa Banquet Center to amend their current business registration to allow for a one-hour extension of event operating hours from the current 11:00 p.m. end time to midnight.

The facility owners feel this additional operating time will strengthen their ability to succeed in a very competitive field and prevent a recurrence of the lost bookings detailed in their email accompanying this application.

I will be away on August 11th but Councilmember Surdyke can speak on the request as the owners contacted us separately for assistance and Mr. Surdyke met with them.

If you have any questions in the interim, please don't hesitate to contact either of us.

CHARLES D. CLARK, DIRECTOR OF DEVELOPMENT

Moved by Marrano seconded by Surdyke to approve amending the hours of business from 11:00 p.m. to 2:00 a.m. (Amended from original request).
