FOR IMMEDIATE RELEASE

**LACKAWANNA ISSUES WINTER REMINDERS TO PROPERTY OWNERS REGARDING
SIDEWALK AND FIRE HYDRANT SAFETY**

February 3, 2026 (Lackawanna, New York). All City of Lackawanna property owners are respectfully reminded of their responsibility to clear snow and ice from sidewalks near their property.

While heavy snow accumulation of recent weeks, compounded with efforts to keep city streets plowed and accessible, has made the task of keeping sidewalks clear very challenging, property owners are asked to do their best to clear nearby sidewalks and fire hydrants.

This is for the safety of all residents, especially neighborhood children who walk to school, and for our mail carriers.

Property owners are also asked to be considerate of their neighbors and to look out for those who may need assistance clearing their sidewalks and hydrants.

Code Enforcement Officers will be out in the community monitoring this situation and issuing warnings and citations where necessary.
